

## § 4007.9

## 29 CFR Ch. XL (7-1-01 Edition)

### § 4007.9 Coverage for guaranteed basic benefits.

(a) The failure by a plan administrator to pay the premiums due under this part will not result in that plan's loss of coverage for basic benefits guaranteed under section 4022(a) or 4022A(a) of ERISA.

(b) The payment of the premiums imposed by this part will not result in coverage for basic benefits guaranteed under section 4022(a) or 4022A(a) of ERISA for plans not covered under title IV of ERISA.

### § 4007.10 Recordkeeping; audits; disclosure of information.

(a) *Retention of records to support premium payments.* All plan records, including calculations and other data prepared by an enrolled actuary or, for a plan described in section 412(i) of the Code, by the insurer from which the insurance contracts are purchased, that are necessary to support or to validate premium payments under this part shall be retained by the plan administrator for a period of six years after the premium due date. Records that must be retained pursuant to this paragraph include, but are not limited to, records that establish the number of plan participants and that reconcile the calculation of the plan's unfunded vested benefits with the actuarial valuation upon which the calculation was based.

(b) *PBGC audit.* Premium payments under this part are subject to audit by the PBGC. If, upon audit, the PBGC determines that a premium due under this part was underpaid, the late payment interest charges under § 4007.7 and the late payment penalty charges under § 4007.8 shall apply to the unpaid balance from the premium due date to the date of payment. In determining the premium due, if, in the judgment of the PBGC, the plan's records fail to establish the number of plan participants with respect to whom premiums were required for any premium payment year, the PBGC may rely on data it obtains from other sources (including the IRS and the Department of Labor) for presumptively establishing the number of plan participants for premium computation purposes.

(c) *Providing record information.* (1) *In general.* The plan administrator shall

make the records retained pursuant to paragraph (a) of this section available to the PBGC upon request for inspection and photocopying at the location where they are kept (or another, mutually agreeable, location) and shall submit information in such records to the PBGC within 45 days of the date of the PBGC's written request therefor, or by a different time specified therein.

(2) *Extension.* Except as provided in paragraph (c)(3) of this section, the plan administrator may automatically extend the period described in paragraph (c)(1) by submitting a certification to the PBGC prior to the expiration of that time period. The certification shall—

(i) Specify a date to which the time period described in paragraph (c)(1) is extended that is no more than 90 days from the date of the PBGC's written request for information; and

(ii) Contain a statement, certified to by the plan administrator under penalty of perjury (18 U.S.C. § 1001), that, despite reasonable efforts, the additional time is necessary to comply with the PBGC's request.

(3) *Shortening of time period.* The PBGC may in its discretion shorten the time period described in paragraph (c)(1) or (c)(2) of this section where it determines that collection of unpaid premiums (or any associated interest or penalties) would otherwise be jeopardized. If the PBGC shortens the time period described in paragraph (c)(1), no extension is available under paragraph (c)(2).

(d) *Address and timeliness.* Information required to be submitted under paragraph (c) of this section shall be submitted to the address specified in the PBGC's request. The timeliness of a submission shall be determined in accordance with §§ 4007.5 and 4007.6.
